

HISTORICAL MYSTERY

Death at the Ball

GAME OVERVIEW

"Historical Mystery" is a series of detective games, each box presenting one case based on real historical events. You have 24 moves to interrogate suspects and examine crime scenes before you are asked a series of questions concerning the case.

GAMEPLAY

Players prepare 15 decks without shuffling or flipping cards.

Starting from the first card they begin to follow the instructions. As they read through the story, they will encounter icons with numbers of decks: new places and people they unlock.

Players will have 24 Moves: chances to flip one of the available cards. They will either examine places or objects, or interrogate suspects.

During the game it is important to pay close attention to the details and people's expressions in the pictures – it will help you solve the crime!

GAME END

When players are out of the Moves, they need to give answers to a series of questions concerning the case. Then they can check right answers and the whole story description.
