“Masha and the Bear”

GAME OVERVIEW

Masha and the Bear: Memory Match is a team memory game with characters from the popular animated series “Masha and the Bear”.

GAMEPLAY

The game is played in two teams and lasts for 8 rounds.

Each round a new challenge is revealed, which shows you which cards you'll need to find.

Flip a card – if the image fits the challenge card, you can keep flipping. If it doesn't – pass the turn to the other team.

As soon as a team finds the 7th card fitting the challenge, they take this Challenge card as a reward and open the next one, passing their turn to the other team.

When all 8 challenges are fulfilled, whichever team has the most challenge cards wins.
