

Print sheets in landscape orientation. Turn each sheet over on the vertical axis. Make sure the sheet is loaded with the same side facing up in the tray (for example, if the front side was printed on the top of the sheet, the top of the sheet should remain on top when flipped).

Travel

Board game sheet for "Travel". The board features a snowy mountain landscape with a red-robed traveler and a blue-robed companion. The board is divided into six sections by a path of dots. The top section contains two winged icons, each labeled "x2". The bottom section contains a circular icon of a blue arrow pointing right, labeled "x1". The middle section contains three stacks of resources: a bundle of sticks labeled "x2", a blue gem labeled "x3", and a grey hat labeled "x1".

Trade

Board game sheet for "Trade". The board features a market scene with a red-robed traveler and a blue-robed companion. The board is divided into six sections by a path of dots. The top section contains a yellow bell pepper labeled "x2", a bunch of red grapes labeled "x2", and a blue arrow icon labeled "x4". The bottom section contains a circular icon of a blue arrow pointing right, labeled "x3". The middle section contains three stacks of resources: a bundle of sticks labeled "x1", a blue gem labeled "x2", and a grey hat labeled "x3".

Architecture

Board game sheet for "Architecture". The board features a construction site with a wooden structure and a red-robed traveler. The board is divided into six sections by a path of dots. The top section contains a house icon labeled "x2" and a red grape icon labeled "x2". The bottom section contains a circular icon of a blue arrow pointing right, labeled "x2". The middle section contains three stacks of resources: a bundle of sticks labeled "x3", a blue gem labeled "x1", and a grey hat labeled "x2".

Gathering

Board game sheet for "Gathering". The board features a gathering scene with a red-robed traveler and a blue-robed companion. The board is divided into six sections by a path of dots. The top section contains a house icon labeled "x4", a house icon labeled "x3", and a house icon labeled "x2". The bottom section contains a circular icon of a blue arrow pointing right, labeled "x2". The middle section contains three stacks of resources: a bundle of sticks labeled "x2", a blue gem labeled "x2", and a grey hat labeled "x2".

Print sheets in landscape orientation. Turn each sheet over on the vertical axis. Make sure the sheet is loaded with the same side facing up in the tray (for example, if the front side was printed on the top of the sheet, the top of the sheet should remain on top when flipped).

Travel

Illustration: Two people in winter gear walking through a snowy mountain landscape.

Resources: Bundle of sticks (x2), Ice cube (x3), Hat (x1)

Dominoes: 6, 5, 4, 3, 2, 1

Goals: Wings (x2)

Trade

Illustration: People trading goods in a wooden market structure.

Resources: Bundle of sticks (x1), Ice cube (x2), Hat (x3)

Dominoes: 6, 5, 4, 3, 2, 1

Goals: Fish (x1), Berries (x2), Saw (x4)

Architecture

Illustration: A person building a wooden structure on a log raft in a river.

Resources: Bundle of sticks (x3), Ice cube (x1), Hat (x2)

Dominoes: 6, 5, 4, 3, 2, 1

Goals: Saw (x2) → House (x1), Berries (x2) → Saw (x1)

Gathering

Illustration: People gathering resources on a rocky shore.

Resources: Bundle of sticks (x2), Ice cube (x2), Hat (x2)

Dominoes: 6, 5, 4, 3, 2, 1

Goals: Saw (x4) → House (x1), Saw (x3) → House (x1), Saw (x2) → House (x1)

Print sheets in landscape orientation. Turn each sheet over on the vertical axis. Make sure the sheet is loaded with the same side facing up in the tray (for example, if the front side was printed on the top of the sheet, the top of the sheet should remain on top when flipped).
